27 Beaulieu Avenue, Cardiff CF10 3AT

Patient identity:	Christian Renaud
Address:	12 Saint-Hélier Road, Cardiff CF11 9HW
Social security no.:	1 62 04 35 111 333 88
Practitioner:	Dr. Matthew Sorel
Practitioner specialty:	Cardiology
Visit date:	19/03/2026

Reason for visit

Annual review of treated arterial hypertension. Occasional report of exertional palpitations.

Past medical history

Hypertension since 2018, treated dyslipidaemia, ex-smoker (quit 2020).

Examination & investigations

BP: 138/82 mmHg. Cardiac auscultation: regular rhythm, no murmur. Resting ECG: sinus rhythm at 72 bpm, no repolarisation abnormality.

Diagnosis

Hypertension well controlled. Benign palpitations, undocumented substrate.

Treatment / follow-up

Continue current treatment (Ramipril 5 mg). 24-hour Holter ECG requested to investigate the palpitations. Review in 12 months or sooner if symptoms recur.
